

# Hugh O'Brian Youth Leadership Conference

It's that time of year again to select a **sophomore** Ambassador to represent Unionville High School at the...

## **HOBY Youth Leadership Conference**

May 20 – 23, 2010

Temple University

**About HOBY:** The HOBY mission is to provide lifelong leadership development opportunities that empower individuals to achieve their highest potential. The 3 day leadership seminar motivates and develops future leaders by preparing them for leadership positions in their school and helps them expand the talents that will serve them and their community in the future. The purpose of the seminar is to give students the opportunity to meet, interact and learn from regionally, nationally and internationally renowned leaders in business, government, and education. If you are unfamiliar with the great opportunity and wonderful experience the HOBY organization offers to our students, please check out the website for more details about the conference ([www.hoby.org](http://www.hoby.org)).

**Selection & Application Process:** All **sophomores** are eligible to apply. Only one student ambassador will be selected. To apply, please complete the following essay requirement. We will use the essay as part of the selection process. Please return your essay to Mrs. Lyles in the Counseling Center by first period on **Monday, November 16th** for consideration.

The selection committee is looking for a candidate who strives to motivate and empower other students to make a positive difference within our global society through understanding and action. Through words and actions, this candidate must practice effective and compassionate leadership. The UHS ambassador will be selected based on leadership ability, sensitivity to others, and the desire to communicate your knowledge to your peers. In 500-600 words, please describe the most rewarding or challenging aspect of being a leader in your community, and how you demonstrate the qualities of leadership that the HOBY ambassador should embody.
